

Spring internship 2021

This semester-long virtual internship is designed for young people in NC who want to advance the mission and work of NCAAT and NCAAT in Action while developing their own skills and experience within a nonprofit organization. The intern will work closely with their supervisor and with the NCAAT and NCAAT in Action staff to develop their own work plan and personal project. Upon completion of the internship, the intern will have engaged with a topic that they are passionate about to create a unique final project ranging from community organizing and advocacy, research, cultural education, civic engagement to public policy. The dates for this internship are **January 25th - April 16th, 2020**.

Requirements

- Must be seniors in high school or current college students
- Priority for this internship will go to students who are either based in or attend a school in NC

Internship components

- Spend 12 weeks total as an intern for NCAAT and NCAAT in Action
 - Commitment of 8-10 hours per week
- Attend weekly discussion-based cohort meetings
- Work with a supervisor to create and manage a personal work plan
- Work on policy and advocacy issues pertaining to Asian American youth (ex: racial justice, climate justice)
- Assist with creation of virtual programming aimed at engaging youth and community
- Help craft and implement a social media plan for youth on various social media platforms
- Attend enrichment webinars from national partner organizations
- Create and implement a personal project that furthers NCAAT and NCAAT in Action's mission of educating or engaging Asian American communities on an issue, policy and advocacy, civic engagement, or youth or community engagement
 - *past examples:* hosting a fundraiser with proceeds to pay for naturalization paperwork, creating an informational Caard/Linktree on social justice issues, host a voter registration drive in collaboration with an Asian student group on your campus, creating a social media campaign to run on NCAAT's platforms, etc.

Internship benefits

- **\$1450 stipend paid in two disbursements**
- **\$200 personal project stipend**
- One-on-one mentoring and guidance from NCAAT and NCAAT in Action staff
- Access to NCAAT and NCAAT in Action resources and network
- Personal and professional development
- Opportunities to grow leadership, advocacy, and community organizing skills
